

A Resolution of the Board of Directors of the California Pines Community Services District, Regulating the Classification and Extent of Garbage Collection within California Pines.

BE IT RESOLVED, by the Board of Directors of the California Pines Community Services District, that

Schedule:

Household garbage will be picked up once each week. Lake Units will be picked up on Monday of each week unless that is a legal holiday, in which case the pick up will be on Tuesday. Mountain Units will be picked up on Tuesday of each week unless that Monday was a legal holiday, in which case the pick up will be on Wednesday.

Garbage should be out by the property line by 7:00 a.m. If garbage is not out on time the truck will not return to pick it up.

Type of Garbage:

Household garbage only will be picked up. Building materials, ashes, broken glass, paints, solvents, any flammable materials will not be picked up. Household garbage is that which is generated in the home, primarily from eating and cleaning.

Capacity Limit:

Each residence will have a two can limit each week. Cans will be standard 33 gal. type. If any residence has over 2 cans in any one week, an additional charge of \$1 will be charged for each can.

Weight Limit:

Due to insurance liability, a maximum weight of 40 lbs. per can must be adhered to, this includes bagged or boxed garbage. Garbage not contained will not be picked up by the driver.

Fees:

Fees may be levied for this service at the discretion of the Board.

Dog Control:

It has been District policy, concerning aggressive dogs, to continue on and not pick up the garbage at the residence. Dogs must be contained or restricted in such a manner that District personnel will be secure from said dog. It is up to the driver's discretion if the stop is safe. The driver will notify the District secretary of the incident, the secretary will then log the incident and notify the owner of the problem.

Adopted this 10th day of August, 1988.
